SATISFACTORY ACADEMIC PROGRESS (a.k.a. SAP Policy)

The Title IV Satisfactory Academic Progress Policy is consistently applied to all students enrolled in a Barber School of Pittsburgh Program. It is printed in this document to ensure all students receive a copy prior to enrollment. The policy complies with guidelines established by the National Accrediting Commission of Career Arts and Sciences (furthermore in this document may be referred to as NACCAS) and the federal regulations established by the United States Department of Education (furthermore in this document may be referred to as DOE).

Satisfactory Progress in attendance and academic work is a requirement to maintain eligibility for funding and continued education. To determine Satisfactory Progress, all students are evaluated in academics and attendance on a regular basis (see evaluation periods). Students are advised of their academic and attendance status via a SAP report. An Evaluation Report will be reviewed and signed by administration and the student.

Minimum SAP requirements are 75% attendance and 75% academics.

Evaluation Periods (SAP)

Students' attendance and academics are evaluated at 450 **actual** hours, 900 **actual** hours, 1075 **actual** hours and 1250 **actual** hours for Satisfactory Academic Progress. All transfer students' evaluation times will be determined based on hours needed. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress to continue with the barber program and Title IV funding (if applicable). Evaluations may also determine if extra instructional charges (see Extra Instructional Charges) will be applied to the student's account at their final evaluation. Students will be provided with a copy of their SAP report and progress report to keep for their records. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course.

Academic Year

The barber program consists of two academic years. The first academic year is 1-900 **actual** hours (in no less than 26 weeks) and the second academic year is 901-1250 **actual** hours. However, students who have an overlapping academic year from federal aid received at an institution prior may have a different academic year calculation (based on Department of Education guidelines) for their Direct Loan disbursements.

Attendance Progress Evaluations (this is separate from BSP Attendance Policy)

Students are expected to attend classes as per their enrollment agreement. Students are responsible to clock/sign in and out appropriately to document their hours; the only documentation accepted for student hours is the time clock system and/or documentation signed by instructor and/or administration. All absences and late arrivals are recorded and made a part of the school permanent record. The student is responsible for class material and/or tests missed while absent.

Students are required to attend a minimum of 75% of the cumulative scheduled hours to maintain satisfactory attendance progress and complete the course in the maximum time frame (see maximum time frame below). Progress meetings are conducted at each evaluation period to determine if the student has met the minimum requirements. Evaluations are based on the cumulative attendance percentage and attendance record as of the day the student hits the evaluation point. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. At least twelve comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a cumulative grade average of 75% and pass a FINAL written exam prior to graduation. Students must make up failed or missed tests and incomplete assignments according to current Make-Up Work Policy (found on page 13 school catalog). Numerical grades are considered according to the following scale: 93-100 Excellent, 85-92 Very Good, 75-84 Satisfactory, 0-74 Below Standards – Unsatisfactory.

Maximum Time Frame

The maximum time frame (which is 133% of the published course length) allowed for students to complete each course at satisfactory progress is explained: Barber (Full time) - 1250 scheduled hours * 133% = 1662.5 scheduled hours. Barber (Full Time with Cosmetology transfer) – 695 scheduled hours * 133% = 924.35 scheduled hours.

Students who do not complete the course in the maximum time frame of 1662.5 hours will be expelled from school without a certificate of completion. Any student missing more than 412.5 scheduled hours is considered unable to graduate within the max time frame and will be terminated from the

barber program. **The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 133% of the required scheduled hours.

Leaves of Absence (in regard to SAP)

All approved leaves of absence extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence. Days taken in an approved leave of absence do not adversely affect SAP attendance progress evaluations. In addition, the school will provide instruction and opportunity for the student returning from an approved leave of absence to maintain their academic progress. See Leave of Absence Policy on page 22 of this catalog for complete details.

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation.

SAP Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. Students on Warning Status may continue to receive Title IV funding, if applicable for one evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will be terminated from the program.

Re-establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements by the end of the warning period.

Withdrawals/Terminations/Repetitions - Re-Enrollment - SAP

Students who withdraw or are terminated prior to/after completion of the course and re-enroll will return at the same satisfactory academic progress percentages as at the time of withdrawal/termination. Students who complete the barber program and choose to repeat the barber program do so electively and their SAP progress will be evaluated as if they were a first-time student.

Non-Credit and Remedial Courses

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and completed hours determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on contracted **actual** hours at the institution.

CHRIA – Criminal History Records Information Act

The Criminal History Records Information Act (CHRIA) provides the authority for a licensing board to deny a license based on a felony conviction. The CHRIA also provides for the authority to deny a license based on a misdemeanor conviction that relates to the profession. If the State Barber Board of Examiners determines that provisional denial is warranted, the applicant will receive a letter in the mail that details the reason for provisional denial and provides for the procedure to appeal the decision. Upon appealing the decision, the applicant will be provided a full hearing at which they may testify, have witnesses testify or provide any other relevant evidence. The entire record of the hearing is then reviewed by the Board for a final determination as to whether or not the provisional denial should become final.

APPLICATION / ADMISSION INFORMATION

NON-DISCRIMINATION STATEMENT

The Barber School of Pittsburgh will not discriminate on the basis of sex, race, age, color, ethnic origin or religion. Any prospective student or current student who feels they have been discriminated against should immediately bring this matter to the attention of the Director.

APPLICATION CONSIDERATIONS

Before applying to our program, prospective students should take into consideration the personal demands and obligations of attending The Barber School of Pittsburgh. Preparation, planning and having a thorough understanding of the school's attendance guidelines and satisfactory academic progress policy will allow students to be successful BSP students. Choosing the right time to start school is necessary for successful program completion. Students need positive motivation and a strong personal commitment to make the necessary preparations to attend all classes as scheduled and complete the barber program on-time. Prospective students must consider the class attendance schedule versus a work schedule, dependable child care, back-up day care, transportation costs, physical stamina and the overall demands of becoming a student. Additional planning involves knowing the expected amount of time to complete the program and developing a personal financial budget accordingly.

We reserve the right to verify if we suspect that the documentation provided is false or has been altered in any way.

The Barber School of Pittsburgh does not accept Ability-To-Benefit (ATB) Students. However, the Barber School of Pittsburgh will evaluate veterans' prior military credit and grant credit as appropriate to the barber program. PROGRAM / INDUSTRY INFORMATION

There are endless opportunities in a barber career path for motivated individuals who have a passion for the art and are willing to put in the time and effort it takes to be successful. We are honored to be part of your journey and committed to help you achieve your goals on this exciting career choice.

A quality barber is always in demand. The men's grooming business is growing fast and the opportunity for success is endless with some hard work and dedication. The Barber School of Pittsburgh is designed to provide you with a solid education in traditional cutting and styling techniques, as well as, the latest and greatest techniques in male grooming trends. If you are motivated individual with a passion for working with people and helping them look their best, then barbering is the field for you!

A licensed barber can choose from a number of jobs within the field, including but not limited to Professional Barber, Barber Shop Owner or Manager, Product Representative, Platform Artist, Retail Specialist, State Board Member/Examiner, Classroom Instructor and/or School Administrator or Owner (some of these jobs do require additional education and/or experience after a state barber license is obtained).

Since 1990, NACCAS has commissioned several Job Demand Surveys, to provide quantitative data on cosmetology careers, earnings potential, and job openings. The most recent survey, completed in May 2007, compiles data from 6,203 salons responding to a national survey. The 2007 Job Demand Survey results indicate that salons in Pennsylvania plan to hire 8,727 new employees in the next twelve months. The average annual salary for a salon professional in Pennsylvania is \$33,915. This amount does not include tips and gratuities. Nationally, the average salon professional's salary is \$35,973. Most importantly, 75 percent of Pennsylvania salon owners who attempted to hire new employees in 2006 said they were unable to find properly-trained applicants. This means that jobs would be immediately available for salon professionals. As of January 2007, there were 84,680 professionals employed at Pennsylvania's 16,364 salons. 93 percent of salons in the state are employer-owned, and 2 percent are booth-rental salons. The other 5 percent are a combination of the two. 63 percent of Pennsylvania salons are classified by their owners as full-service salons; 18 percent are listed as haircutting salons. Barbershops make up 8 percent of the total. Nationally, 58 percent of salons are listed as full-service, meaning that Pennsylvania has a slightly lower percentage of specialized establishments.

The US Department of Labor provides current job information at <https://www.bls.gov/oes/current/oes395011.htm> . As reported by the US Department of Labor, state and national median wages for a barber and barber related positions is:

PA Mean Hourly/Yearly Wage	National Mean Hourly/Yearly Wage	Job Position/SOC Code

- Completion of an exit interview and required exit paperwork.

Upon completion of **ALL** graduation requirements, a certificate of completion and notarized affidavit of hours will be provided. Lost or misplaced graduation paperwork can be replaced by the school for a fee of \$20 and will take three business days to process.

Students completing 1250 hours with a grade point average of 75% and an attendance average of 75% will be awarded a Certificate of Completion. Upon course completion, payment in full (or pre-approved payment plan) and completion of all required exit paperwork, graduates will receive an official transcript stating their GPA and hours attended. The school may assist graduate in applying to take the PA Barber License Exam, if needed.

BARBER COURSE OUTLINE

COURSE NAME: Barber
COURSE LENGTH: 1250 Hours (in no less than 9 months)

COURSE DESCRIPTION:

The primary purpose of the Barber Course is to train the student in basic manipulative skills, safety judgments, proper work habits, and desirable attitudes necessary to pass the State Board examination and for competency in job entry level positions in barbering or related career field. At the end of their coursework students will be well rounded in all aspects of barbering, shop sanitation and management.

COURSE OBJECTIVES:

- Students will be trained by using both theory and practical work to assist them in gaining all the skills necessary to become a successful barber.
- Students will be ready to take, and successfully pass, the PA State Barber Board Exams.
- Students will be prepared to work in a professional shop/salon as a licensed barber (after passing state exams).
- Students will be capable of performing in Barber related occupations.
- Students will develop employer and employee relationships and the means to communicate effectively.

COURSE FORMAT:

- All aspects of barbering will begin with a lecture on each topic.
- After each lecture there will be practical demonstrations.
- Audio visual materials will be used to enhance certain topics.
- Theory and practical worksheets will be used.
- Written and practical exams will be administered to evaluate progress and identify any weakness.

EVALUATION PROCEDURES:

- Progress will be followed by exams in theory, practical and clinical areas.
- There will be a written exam after each unit of study.
- Practical exams will be evaluated as completed.

GRADING PROCEDURES:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as pass or fail and counted toward course completion. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. If an academic or practical exam grade does not meet satisfactory requirements, students are given the opportunity to retake the exam one time, within three (3) school days. The better of the two exam grades will be entered in the student's grade journal. Students must maintain a grade average of 75% and pass a FINAL written and practical exam prior to graduation.

Students who are absent on the day of an exam (written and/or practical) will receive a zero (0%) on the exam and must make-up the exam within three (3) school days. The make-up exam grade will be the one and only grade for that exam. Numerical grades are considered according to the following scale:

93 - 100 EXCELLENT
85 - 92 VERY GOOD
75 - 84 SATISFACTORY
0 - 74 BELOW STANDARDS – UNSATISFACTORY

REQUIRED LEVEL OF ACHIEVEMENT:

All students will be required to maintain at least a 75% grade point average in theory, and at a minimum a 75% grade point average in practical and clinic subjects in order to maintain satisfactory academic progress, receive your certificate of completion and be ready to take the PA Barber State Board examinations.

GRADING SYSTEM**Theory Tests/Assignments**

All tests/assignments are graded on a percentage basis. The score is determined by the number of earned points divided by calculating the number of potential points available for the test/assignment. Tests will include a minimum of 21 chapter theory tests and a comprehensive final exam. Students are required to maintain a 75% overall grade point average to remain in satisfactory academic progress (SAP). Students falling below this will be informed and additional assistance will be offered.

Practical Tests/Task Sheets

Practical skills are evaluated per text procedures and set forth in practical skills evaluation criteria adopted by the school. Practical tests will include at least 8 tests and a comprehensive final exam (mock state board). In addition, students must complete a minimum number of practical assignments monitored through Task Sheets. All tests/assignments are graded on a percentage basis. The score is determined by calculating the number of earned points divided by the number of potential points available for the test/assignment. Task sheets are graded, as assigned, during the program. Grading will be based on the satisfactory completion of 4 assignments, containing 20-21 tasks each. Students are required to maintain a 75% overall grade point average to remain in satisfactory academic progress (SAP). Students falling below this will be informed and additional assistance will be offered.

Re-Take Exam(s)

The opportunity to re-take a regularly scheduled class exam scored below 75% will be offered one time only. The re-take must be scheduled the school day following the initial exam, unless otherwise approved by ADMINISTRATION. The best score of the two exams will be used as the final grade. If a student fails to retake the exam as scheduled, the original grade will stand. If an instructor or administration sets up a specific date and time for a student to re-take an exam and the student does not show or is more than 10 minutes late, the original exam score will stand. Students cannot score higher than 90% on a re-take exam.

Make-Up Work/Exam(s)

All missed assignments and exams (theory and practical), because of attendance or break violations, must be turned in/completed upon the student's return, the make-up exam may not be multiple choice and re-taking the exam is NOT an option (this does not apply to leave of absence students). Students on a leave of absence for less than 10 calendar days will have 5 school days to make up exams/assignments. Students on a leave of absence for more than 10 calendar days must make-up assignments/tests as arranged by ADMINISTRATION. Any missed assignments and exams (theory and practical) not completed in the stated time frame will result in a 0 (zero) grade on the missed assignments/exams. If an instructor or administration sets up a specific date and time for a student to make-up missed assignments and/or exams and the student does not show or is more than 10 minutes late, the student will receive a 0 (zero) grade for the assignments/exams.

Grading Scale: 93 - 100 EXCELLENT, 85 - 92 VERY GOOD, 75 - 84 SATISFACTORY, 0 - 74 BELOW STANDARDS – UNSATISFACTORY. **Your overall grade is comprised of 60% from your theory exams and 40% from practical exams.**

Any student may request and will receive additional help in any portion, part or segment of our course curriculum. Failure to progress and maintain satisfactory academic progress (SAP) can lead to academic warning and/or termination of education.

COST OF ATTENDANCE BUDGETS

In order to determine a student's level of loan funding, the Department of Education requires us to develop annual cost of attendance budgets. These budgets include an average allowance for room & board, transportation, personal, loan fees and, if applicable, child care and expenses related to disability. The following are standard **monthly** allowances that make up the cost of attendance budgets for the 2017-2018 award year.

PAYMENT OPTIONS

Please contact the main office at 412-922-1234 to see if a specific campus is eligible to receive Title IV funds (federal financial aid). Most Barber School of Pittsburgh campuses can receive Title IV funds (federal financial aid) for students who are eligible (based on the completion of a Free Application for Federal Student Aid, a.k.a. FAFSA). If a student is not eligible for Title IV funding or is in need of additional funds to cover costs, students can pay with cash, check or money order, credit card (Visa, MasterCard, American Express or Discover), institutional financing and/or a payment plan through TFC Tuition. Students and/or parents may be required to prove credit worthiness via a school approved credit check. A fee for this credit check will be assessed and is payable in advance. Students may not be accepted for enrollment if they cannot prove credit worthiness. Returned checks are subject to a \$25 returned check fee.

If a payment plan is approved by the school, the student account is due and payable in accordance with the terms of the payment plan contract and/or TFC's finance plan, including any late payment charges, if incurred. If an institutional payment plan or a TFC account payment is more than 30 days late, the student attached to the account will be placed on a financial warning for 30 days or until the payments are current (whichever is less). If a student does not bring payments due current within 30 days, the student will be terminated. The student is responsible for payment of any portion of tuition not covered by financial aid.

FEDERAL ASSISTANCE PROGRAMS

Note: Financial aid awards are subject to change based on attendance and/or crossover award years.

Most school campuses are approved (or in the approval process) as an eligible institution by the U. S. Department of Education to participate in Title IV grant and loan programs. The packaging of financial assistance is determined according to guidelines set by the US Department of Education. A variety of programs are available for campuses and students qualifying for assistance:

Federal Grants

Intended to be the basis of the financial aid package and may be combined with other aid to meet the full cost of attendance. The Federal Pell Grant is a need based aid program in which an eligible recipient does not have to repay the funds received.

Federal Direct Loan Program

These are low interest loans for undergraduate and graduate students that are made available through the Federal Government. This program includes the Federal Direct Subsidized, Federal Direct Unsubsidized and Federal Direct Plus loans. There are grade level progressions and loan limits used for the administration of these loans. The following Direct Loans are made through the William D. Ford Federal Direct Loan (Direct Loan) Program, which is administered by the U.S. Department of Education:

- Federal Direct Subsidized Loan: This is a need-based-loan for which the Federal government subsidizes the interest until repayment begins and during any period of deferment. This is a loan and recipients must begin making payments at the end of their six-month grace period.
- Federal Direct Unsubsidized Loan: This is a non-need-based loan for which the Federal Government does not pay the interest subsidy. Interest accrues during all periods. The recipient has the option to pay the interest or to defer payment of the interest for the grace period. This is known as capitalization. This is a loan and recipients must begin making payments at the end of their six-month grace period.
- Federal Direct Plus Loan: This loan is available to parents of dependent undergraduate students to help pay for the cost of the dependent's education. Borrowers of PLUS Loans are required to undergo a credit check by the lending institution. The definition of a "parent" for PLUS Loan eligibility is a student's biological, adoptive or step-parent in the event that person's income would have been taken into consideration when calculating the student's expected family contribution (EFC). Interest is charged during all periods.

Verification

Students selected by the U.S. Department of Education for the process of verification are frequently required to submit additional information and/or parents' financial & household information to the finance office. The verification procedures will be conducted as follows:

- When selected by the U.S. Department of Education for the process of verification, the student must submit all required documentation to the finance office within 10 days from the date the student is notified that the additional documentation is needed for this process.
- If the student does not provide all of the required documentation within the 10-day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.
- The finance office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.
- Financial Aid fraud can result in non-acceptance or termination.
- If you suspect that a student, employee, or other individual has misrepresented information or altered documentation to fraudulently obtain federal funds, you should report your suspicions and provide any evidence to the Office of the Inspector General.
 - Regional number in Pittsburgh- 412.931.9292 or Toll Free at 1.800.647.8733
 - Or visit the website <http://www2.ed.gov/about/offices/list/oig/hotline.html> and click on the appropriate link
 - Or mail Office of Inspector General Department of Education 400 Maryland Avenue SW Washington DC 20202-1500

The finance office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

Conflicting Information

The Barber School of Pittsburgh understands that all conflicting information must be resolved before any Title IV funds can be disbursed. Students with conflicting information in their files or paperwork may be selected for verification by the school or its servicer in order to resolve the information in question.

Other Funding Sources

Additional funding may be obtained for eligible candidates through many different programs including; Department of Veterans Affairs, Office of Vocational Rehabilitation, and Private Scholarship funds.

Any non-Title IV funding credit balances (overages) will not be paid out until the student graduates from the barber program. All non-Title IV funding will be kept on the students account until all institutional balances have been paid in full (includes but not limited to Extra Instructional Charges, see page 22) and according to the guidelines of the non-Title IV funding source.

RETURN OF TITLE IV FUNDS

The law specifies how a school must determine the amount of Title IV program assistance that a student earns if he/she withdraws from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Direct Student Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans. When a student withdraws during the payment period the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If the student received (or the school or parent received on the student's behalf) less assistance than the amount that the student earned, the student may be able to receive those additional funds. If the student received more assistance than he/she earned, the excess funds must be returned by the school and/or the student.

The amount of assistance that the student has earned is determined on a pro-rata basis. For example, if the student completed 30% of the scheduled hours in their payment period, the student earns 30% of the assistance he/she was originally scheduled to receive. Once the student has completed more than 60% of the scheduled hours in his/her payment period, the student earns all the assistance that he/she was scheduled to receive for that period. If the student did not receive all of the funds that he/she earned, the student may be due a Post-withdrawal disbursement. If the Post-withdrawal disbursement includes loan funds, the school must get the student's permission before it can disburse them. The student may choose to decline some or all of the loan funds so that he/she doesn't incur additional debt. The school may automatically use all or a portion of the Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs the student's permission to use the Post-withdrawal grant disbursement for all other school charges. If the student does not give his/her permission (some schools ask for this upon enrollment), the student will be offered the funds. However, it may be in the student's best interest to allow the school to keep the funds to reduce his/her debt at the school.

There are some Title IV funds that the student was scheduled to receive that cannot be disbursed to him/her upon withdrawal because of other eligibility requirements. For example, if the student is a first-time, first-year undergraduate student and has not completed the first 30 days of the program before withdrawal, the student will not receive any direct loan funds that they would have received had they remained enrolled past the 30th day. If the student receives (or the school or parent receives on their behalf) excess Title IV program funds that must be returned, the school must return a portion of the excess equal to the lesser of: the institutional charges multiplied by the unearned percentage of the student's funds, or the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of the student's Title IV program funds. If the school is not required to return all of the excess funds, the student must return the remaining amount. Any loan funds that the student must return, he/she (or the parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, the student makes scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment that must be repaid is half of the grant funds the student received or was scheduled to receive. The student must make arrangements with the school or the Department of Education to return the unearned grant funds. The requirements for Title IV program funds when a student withdraws are separate from any Institutional Refund Policy that the school may have. Therefore, the student may still owe funds to the school to cover unpaid institutional charges. The school may also charge for any Title IV program funds that the school was required to return. If a student has questions about his/her Title IV program funds, he/she can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all Barber School of Pittsburgh locations that receive funds under an applicable course of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by BSP. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that BSP correct records which they believe to be inaccurate or misleading. If BSP decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if BSP still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - Barber School of Pittsburgh officials with legitimate educational interest;
 - Other Schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;

STUDENT SUPPORT SERVICES POLICY

Students have access to advising from members of the school staff regarding finances, health, family or any problem affecting their academic progress. This may include a referral to professional assistance, if necessary.

The School assists graduates in finding suitable employment, but placement is **not guaranteed**. Whenever job openings are received by the school, they are emailed to the graduate students. Reference letters, career counseling and resume writing assistance are also available.

Students should notify their instructor immediately if they require special assistance during any part of the barber course.

Reference letters, career counseling and resume writing assistance are also available.

WITHDRAWAL/TERMINATION POLICY

- The school may terminate a student prior to/after the completion of their barber course for one or more of the following: 1) Insufficient academic progress. 2) Not fulfilling financial obligations to the school. 3) Failure to comply with the rules and regulations of the school. 4) Failure to meet SAP at next evaluation after Warning has been issued. 5) Insubordination. 6) If withdrawal is determined by Director after consecutive absences from last date of attendance for a period of 14 calendar days or 7) violation of the probationary period policy.
- NOTE: Students who are not current on payment agreements or paid in full within 90 days of completion of 1250 hours, may be terminated from program, incur a termination fee of \$150 (in addition to balance due) and may be sent to collections for payment.

Student withdrawals must be submitted in writing to be accepted.

Students who do not complete the program by their contract end date and do not elect to extend their contract to complete the program within 3 (three) calendar days will be considered a voluntary separation and will be subject to a \$150 separation fee.

****Note: Withdrawn or terminated students will not receive notarized verification of hours or official transcripts until account is paid in full and required exit paperwork is complete. ****

COLLECTIONS POLICY

All collection procedures shall reflect ethical business practices. Collection correspondence regarding cancellation and settlement from the institution itself, banks, collection agencies, lawyers, or any other third parties representing the institution will clearly acknowledge the existence of the Withdrawal and Settlement policy above. If promissory notes or contracts for tuition are sold or discounted to third parties, the third party must comply with the cancellation and settlement policy of the institution.

WITHDRAWAL/CANCELATION AND SETTLEMENT POLICY (a.k.a. Institutional Refund Policy)

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

1. An applicant is not accepted by the school. The applicant shall be entitled to a refund of all monies paid less the non-refundable application fee in the amount of \$95.
2. A student (or legal guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the school shall be refunded, less the application fee in the amount of \$95, regardless of whether or not the student has actually started classes.
3. A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases, he/she shall be entitled to a refund of all monies paid to the school less the application fee in the amount of \$95.
4. A student notifies the institution of his/her withdrawal in writing.
5. A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
6. A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 30 days.)
7. In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.

For students who enroll and begin classes but withdraw (officially or unofficially) prior to/after course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. Unofficial withdrawals (those without written notification) are determined through monitoring clock hour attendance at least every thirty (30) days. All refunds are based on **scheduled** hours as of the last date of attendance:

Percentage length completed to Total Length of school attendance				Amount of total tuition owed to the school
0.01%	to	4.90%	=	20%
5%	to	9.90%	=	30%
10%	to	14.90%	=	40%
15%	to	24.90%	=	45%
25%	to	49.90%	=	70%
50%	and	over	=	100%

- All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. If the course is cancelled after students have enrolled and instruction has begun, the school shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR provide completion of the course OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.
- Students who withdraw or are terminated prior to/after course completion are charged a separation fee of \$150.00.
- This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in this catalog and in the enrollment agreement.
- Outside source funding overages will not be paid to the student unless the student is in an active status.

ATTENDANCE POLICY (Guidelines are separate from BSP SAP Policy)

****There are NO "excused" absences, early departures and/or late arrivals. ****

Time Clock/Sign In/Out Sheet

Students are required to clock in and out using the time clock, if available at the campus. Campuses without a time clock will use a Sign In/Out Sheet which will be signed by the student and the instructor.

- Students will **only receive credit for time during their scheduled hours unless Make-Up Hours are approved by an instructor/Administration and a Make-Up Hours Form is completed and signed by the student and their instructor/Administration.**
- It is the student's responsibility to ensure a Make-Up Hours form is completed to receive credit for hours "clocked" outside their scheduled hours.
- The school is NOT responsible if a student forgets to complete a Make-Up Hours form.

Probationary Period

All (new, transfer and re-enroll) students will be considered on a probationary period for their first 30 calendar days of enrollment. Any (new, transfer and re-enroll) student taking excessive/extended breaks (3 times), forgetting to clock/sign in or out (3 times), or having excessive (3 times) absences, late arrivals, or early departures may be terminated from the barber program at the end of the probationary period. In addition, students who exhibit consistent unprofessional conduct (i.e. poor attitude, inappropriate conversations, instructor or peer disrespect, foul language, cell phone abuse, lack of interest, other policy violations, etc.) during the probationary period may be terminated from the program. Lastly, any student who has not fulfilled all enrollment requirements including but not limited to, completed financial aid paperwork (if applicable), payments (if applicable) and enrollment paperwork may be terminated from the program. Any new or transfer student falling below 75% attendance during their probationary period may be terminated.

Attendance/Late Arrivals/Early Departures

After the probationary period, attendance will be reviewed by Administration on a monthly basis. The monthly basis review period will occur from the 16th of the current month to the 15th of next month (i.e., September 16th through October 15th). Effective January 2018, any student who has an attendance percentage less than 92% for the current attendance review period will receive a written warning.

- 3 documented warning(s)
- Expulsion from the program
- **Any student who has a less than 75% in attendance for a review period will result in expedited disciplinary action and may result in termination**

Students on any warning level for attendance violations, who have an attendance review period without a warning, will reduce their disciplinary action

by one level. For example, a student on Warning 2 for attendance whose following attendance review period does not warrant a warning will be reduced to Warning 1. Please see administration with any questions. **This policy will continue for all students through course completion, including enrollment agreement/contract extensions.**

Other attendance guidelines include:

- Students are **REQUIRED** to let the instructor know if they are leaving the premises for safety reasons. Students leaving the premises without letting the instructor know will be disciplined accordingly and time of unknown whereabouts will be docked from their actual hours.
- Students taking excessive/extended breaks (3 times), forgetting to clock/sign in or out (3 times) will be held to the disciplinary action above.
- Students must report to class on time, in proper uniform, with smock, books, tools and all required materials to receive credit.
- Students are required to be in, and ready for, class during all scheduled hours aside from break time. If a student cannot be located during scheduled hours, and it is not their scheduled break time, the school will dock the clock time when the student could not be located.
- Students are required to clock in and out using the time clock or sign-in sheet, whichever is applicable at your location, upon arrival and departure. Contact Administration immediately if you forget to or cannot clock in or out. Failure to do so may result in clock hours not credited and disciplinary action. **Remember: Students only receive clock hour credit during scheduled hours unless a completed Make-Up Hours form is submitted.**

Students in need of an extended absence (more than 3 school days) due to vacation plans, medical reasons, etc. should notify Administration at least 48 hours prior to the absence to possibly avoid disciplinary action. Students on warning 3 for attendance are NOT able to avoid disciplinary action.

BREAK POLICY

A break is considered time when a student is on the clock and not participating in class. **Breaks are not guaranteed.** If class time permits, students are allowed up to three 10 minute breaks (depending on Phase) and one 20-minute lunch break ONLY, while in school. **Breaks are scheduled based on class schedule and cannot be adjusted without approval from Administration.** Breaks taken outside scheduled break times will result in docked clock time. For the purposes of breaks, "premises" is considered inside the school/administration office and the immediate surrounding areas outside the school. Please note, this does not include the parking lot.

- Students are **REQUIRED** to let the instructor know if they are leaving the premises for safety reasons. Students leaving the premises without letting the instructor know will be disciplined accordingly and time of unknown whereabouts will be docked from their actual hours.
- **Students taking longer breaks or more frequent breaks than this policy provides will have their clock time docked and are subject to disciplinary action up to and including termination. If there is disciplinary action taken due to extended breaks, time will be adjusted accordingly.**
- Students must let their instructor know in advance, and clock out if taking more than their allotted break time.
- If a student is late to class, takes an extended break during class, or leaves early they forfeit some or all of the rest of their scheduled break time for that day.
- Unscheduled restroom breaks: If a student needs to use the restroom, they are to ask their instructor and leave their phone (and vaporizer, if applicable) at their workstation.

LEAVES OF ABSENCE (LOA)

The Barber School of Pittsburgh may grant a leave of absence, at the school's discretion, ONLY in the event of an extenuating, serious medical emergency of self, spouse or child and birth of a child (Medical LOA) or death of an immediate family member (as described below) (Bereavement LOA). An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time during a program when a student is not in attendance. Leave of absences (LOAs) will not be granted within the first 30 days of enrollment unless there is an extenuating, serious medical emergency of self, spouse or child.

Medical LOAs

Medical LOAs will be approved for student, spouse or child and require a **minimum absence of five consecutive calendar days.** Students are only permitted **one Medical LOA per enrollment contract.** All requests for medical leaves of absence **must be submitted in advance, in writing,** include the reason for the student's request, the leave start date, the anticipated return date, the student's signature, health care provider certification and contact information. Medical leave of absence requests not submitted in advance may be approved if unforeseen circumstances arise (i.e. car accident, unforeseen medical emergency, etc.). In this instance, the beginning date of the LOA would be the first date the student was unable to attend the institution because of the "unforeseen circumstance".

Bereavement LOAs

Bereavement LOAs will be approved in the event of the death of a mother, father, brother, sister, husband, wife or child and have a **MAXIMUM absence of seven consecutive calendar days from the date of passing.** Students are only permitted **one bereavement LOA per enrollment contract.** All requests for bereavement leaves of absence **must be submitted in writing, upon the student's return to school,** include a copy of the obituary stating the student's name as an immediate relative or alternative documentation as requested by administration, and the student's signature certifying they are an immediate relative (as described above) of the deceased.

The school will respond to LOA requests within 10 calendar days and LOAs will be considered based on the following:

- There must be a reasonable expectation that the student will return from the LOA.
- Student must follow the Barber School of Pittsburgh's policy on requesting an LOA.
- The school will not assess the student any additional institutional charges as a result of the LOA.
- Medical LOAs must not exceed a total of 90 days in any 12-month period. The school, at their discretion, may extend the LOA up to an additional 90 days for extenuating circumstances.
- Supporting documentation WILL be required and verified for all LOAs.
- LOAs are not available to those students on a contract extension for extra instructional hours.

The student granted an LOA that meets the above criteria will receive a contract extension by the same number of calendar days taken in the LOA. Changes will be reflected on the student's enrollment agreement. Students on an approved LOA are not considered to have withdrawn, and no refund calculation is required at that time. If a student does not return to school at the expiration of an approved LOA (or a student takes an unapproved LOA), the student is terminated from the program and the student's withdrawal/termination date is the date the student began the LOA. The withdrawal/termination date for the purpose of calculating a refund is always the student's last date of attendance. Outside source funding overages will not be paid to the student unless the student is in an active status.

CONTRACT END DATE POLICY

All students' contract end dates are calculated based on the number of hours required to complete the program and scheduled hours per week while taking into consideration all scheduled days the school will close. If a student has not completed the required hours for barber program completion by their contract end date and requests to extend their contract, they do so knowing there will be additional charges and their clinic chair may have to be relinquished to a student in their active, original contract. **CONTRACT EXTENSIONS ARE NOT GUARANTEED.**

CONTRACT EXTENSIONS & EXTRA-INSTRUCTIONAL CHARGES POLICY

Contract Extensions *CONTRACT EXTENSIONS ARE NOT GUARANTEED*****

If a student has not completed the barber program by their enrollment agreement end date, they can request a contract extension within three calendar days from their contract end date. For first-time, non-transfer/re-enroll students contract extensions will be complimentary for the first 98 clock hours needed (Transfer/re-enroll students' complimentary hours for contract extension will be pro-rated based on their hours needed at the time their original contract was signed). **CONTRACT EXTENSIONS ARE NOT GUARANTEED.** Effective January 2018, students who need more than 98 clock hours to complete their education will be charged for extra instructional charges at a rate of \$10 per hour. Contract extension charges are calculated by subtracting actual completed hours as of contract end date from 1250 hours, adding 98 hours subtracting any extra instructional charges that have been collected at the 416 or 832 actual hour period EIC reviews (see below EIC Policy) and multiplying by \$10. **A contract extension must be in place and payment of extra instructional charges must be made or arranged prior to clocking in after the enrollment agreement end date.**

Contract extensions will be granted at the discretion of the school director(s). Student attitude, motivation, attendance, compliance, participation, etc. will all be considered in making the decision to extend a student's contract.

Students on a contract extension will continue to be held accountable to policies as if they are still in their original contract. For example, disciplinary action for attendance will continue through any contact extension(s).

Extra-Instructional Charges (EIC)

Effective January 2018, the School will charge additional tuition at the rate of \$10 per hour for any extra instructional hours needed by any Student. If Student is absent for more than 34 scheduled hours during the first 416 scheduled clock hours, then the School will charge additional tuition for each hour the student was absent beyond 34 scheduled hours. If Student is absent for more than 68 scheduled hours by 832 scheduled clock hours, then the School will charge additional tuition for each hour the student was absent beyond 68 scheduled hours, less any extra tuition charges assessed at 416 scheduled clock hours. If the Student is absent for more than 98 scheduled hours prior to completing the program, then the School will charge additional tuition for each hour the student was absent beyond 98 scheduled hours, less any extra tuition charges assessed at the 416 and 832 scheduled clock hours. As an example, if student is absent for 44 hours by 416 scheduled hours, then the School will charge the student \$100.00 (44 minus 34 equals 10, times \$10.00 equals \$100.00) for additional tuition. If the student is absent for 80 hours combined at 416 scheduled hours and 832 scheduled hours, the School will charge the student \$20.00 for additional tuition (80 minus 68 equals 12, times \$10.00 equals \$120.00, less the \$100.00 additional tuition charged with respect to the Student's absences during the first scheduled 416 hours). In the case of extenuating circumstances, the School may, in its sole discretion, waive or reduce charges assessed for additional tuition.

MAKE-UP HOURS POLICY

Make-up Hours will only be offered by Administration if business deems them necessary. Communications regarding make-up hours will be emailed to students.

Students who clock unforeseen make-up time (because of providing a client service at the end of the day with instructor approval, etc.) are required to complete a Make-Up Hours form and give it to their instructor for approval and submission to Administration. Failure to do so will result in no credit received for the time outside of their scheduled hours. Furthermore, students who clock in more than 10 minutes late for their scheduled start time and/or clock out more than 10 minutes early for their scheduled end time will not be permitted to receive credit for any make-up hours on that specific day.

SCHEDULE CHANGE POLICY

Our curriculum does not allow for schedule change requests, however in rare circumstances a schedule change may be approved. Requests for a class schedule change after enrollment will be considered on a case-by-case basis. Students requesting a schedule change must be meeting Satisfactory Academic Progress and have no recent (within 30 days) disciplinary action at the time of the request to be considered.

PERMANENT SCHOOL CLOSURE POLICY

If the school closes permanently and ceases to offer instruction after students have enrolled, or if a barber course is canceled after students have enrolled and instruction has begun, the school will make the following arrangements:

- The school will notify affected students individually of the availability of schools in their area, and assist them in finding suitable training needs.
- The school will submit to NACCAS a list of all students who were enrolled at the time of closure, and indicate the arrangements made for each student to complete their education.
- The school will forward all student records to the State of Pennsylvania Barber Board in accordance to regulations.
- The Barber School of Pittsburgh does not have a teach out plan in effect, therefore all students will be:
 - Provided a pro rata refund for students transferring to another school based on the hours accepted by the receiving school; or
 - Provided completion of the course and/or program; or
 - Provided a full refund of all monies paid.

SCHOOL COMPLAINT POLICY AND PROCEDURE

Also:

- 3 suspensions of any kind will result in immediate expulsion.

Administration reserves the right to alter the progression of disciplinary action to fit the infraction (i.e. severe infractions may lead to immediate suspension and/or expulsion). Anyone having knowledge of illegal drug or alcohol possession, distribution and/or sales is expected to inform the director of the school.

Any student exhibiting signs of being under the influence of drugs or alcohol will be sent home for the day without credit. Disciplinary action will occur upon their return. Any violation of anti-drug/alcohol policies may result in discipline up to and including expulsion.

The school reserves the right to administer random drug testing at their discretion.

STUDENT SEARCH AND SEIZURE POLICY

If lockers are available, they are the property of the school and are assigned to the students for school use. Students hold neither expectation of privacy in their lockers nor any other school property. Students leave articles of value in lockers at their own risk. School officials have the authority to search all

school property (including lockers) at any time without notice, and to seize any property prohibited by law or school policy. Student searches may be made based on reasonable suspicions of a violation of school policy and/or state or federal law.

Students will report to school in good hygiene, dressed per the business casual dress code. Students coming from work may change their clothes in the restroom prior to clocking in. All other students must come to school already dressed per the dress code. ****Smocks must be worn at all times while on school property** (including breaks unless eating in the break room).** If a student's poor hygiene or use of too much perfume/cologne is an issue, the instructor will discuss the problem with the student in private and should point out the specific areas to be corrected. If the problem persists, disciplinary action will be executed, as appropriate.

Students and instructors are required to wear a clean, **school issued** smock; the smock must be zipped up to above the school logo. SEXUAL HARASSMENT POLICY

The Barber School of Pittsburgh adopted a policy in September 2011 that affirmed its opposition to sexual harassment and established specific guidelines to address sexual harassment among both employees and students of the Barber School of Pittsburgh. The policy initiated actions by the school system to help employees and students recognize, understand, prevent and take corrective action to address sexual harassment and other inappropriate behavior of a sexual nature in the workplace and in instructional settings.

Summary

Inappropriate sexual conduct will not be tolerated and may constitute sexual harassment. The Barber School of Pittsburgh does not condone or tolerate any form of sexual harassment involving employees or students. The school system is committed to the creation and maintenance of a learning and work environment in which all persons who participate in school programs and activities can do so in an atmosphere free from all forms of sexual harassment.

Employees who violate the policy will be subject to such actions as oral or written reprimand, professional counseling, suspension or termination. Disciplinary actions for students who violate the policy include a conference, suspension and/or expulsion depending on the circumstances and severity of the offense.

It is the responsibility of every director, supervisor, instructor and student to recognize acts of sexual harassment and take necessary action to ensure that such instances are addressed swiftly, fairly, and effectively. The school system prohibits retaliation against an individual who reports an incident or cooperates with an investigation of a reported incident.
